

Tell Us... We're Listening...

3-5

To help us to understand how things are going with the work we are doing with you and the baby / child in your care, please answer the following questions as honestly as possible.

We hope that you are feeling positive about the work undertaken. However, we are keen to know what is important to you and the baby / child; what is working well, and if there are things we might be able to improve or do differently. Thank you.

Please read each sentence and help the child to tick the face which best describes how they are feeling today. There are no right or wrong answers. The child's views are very important to us.

The child's name will not be written on this form and their answers will be kept confidential.
